

# Tournament Tennis Camp

## at George Mason University

For the past 10 years, our camp has successfully developed juniors from competitive tournament play to the international level. What makes us unique is our focus on developing “your” game. We believe that players will be most successful with a playing style that suits their physical ability, mental characteristics and personality.

**Camp Directors Vinh Do & Jimmy Davis** and their coaches provide personal attention to technical, physical, strategic and mental training to help campers compete in tournament play.

The camp is designed to prepare a player for tournament play. It is required that each player is participating or preparing for tournament play. We will designate certain tournaments for coaching and offer flexible attendance based on tournament schedule. All players must have prior approval. Campers are expected to bring their own food and drink, lunches are not included with the price of the camp.

**Tournament Program**, 9-1PM and 1-5PM on weekdays, is for students already active in USTA tournament play. There will be a heavy emphasis on fitness and match play. Most participants are over 13 years old.

**High School Preparation Program**, 1-5PM on weekdays, is for students beginning or getting ready to participate in USTA tournament play and / or compete for their high school team. The emphasis is on technical training and footwork.

**Competitive Green / Green Dot Challenger Program**, 1-5PM on weekdays is for our Green Dot Challenger players. Players will refine their tactical skills and build their specific game style. Instructors will conduct variety of drills to enhance players’ individual style. Participation in the fitness program is required and included in the tuition for this class.
